

THE FIRE WITHIN

SBDC AT GREAT FALLS DEVELOPMENT AUTHORITY
-GREAT FALLS, MT-

Women's History Month inspired Rebecca Engum, Director of the SBDC at Great Falls Development Authority, to do something to honor all women business owners within the Great Falls community. The Fire Within reception was created as an exciting way to help celebrate and acknowledge the successes of local women business owners while allowing them to connect with one another. The SBDC understands the struggles women business owners face while trying to succeed and wanted to recognize the "fire within" an entrepreneur that is vital to their accomplishments in the business world.
